

NO. ALN. 53/75-76

73

Office of the Deputy Commissioner,
Hassan District,
Hassan, dated, 26th Aug. '75.

Circular.

Subj: - Disposal of alienation records -

It is being observed that the Revenue officers at the lower level are not attending to alienation records promptly and systematically. Consequently hundreds of records are pending for years together without any action. Under section 95 of the Karnataka Land Revenue Act, such alienation cases should be disposed of within 4 months and if no decision is given on the application within that period, the permission is deemed to have been accorded under section 95(5) of the Act.

It is also pointed that even the records submitted for orders are not being properly built up, e.g., A.T.C. extracts are not enclosed and existence of tenancy rights, if any are not reported. Such incomplete reports not only involve un-necessary correspondence and also it delays the disposal of papers.

At the time of review of pendency in various offices during the Rev. Officers' meeting, it was observed that there is lot of discrepancy between pendency shown in the taluk offices and the Asst. Commissioner's office and no efforts have been made to reconcile this.

It is therefore ~~mandated~~ ordered that pendency should be reconciled at once and all pending alienation cases disposed of expeditiously. The Tahsildars and the Asst. Commissioners should personally verify and take action for the disposal of all pending alienation cases as a special drive within a month. The Managers of Asst. Commissioner's office and the Sheristadars of the Taluk offices should be made personally responsible for expeditious disposal of all pending alienation papers. Further, the Asst. Commissioners/Tahsildars will please see that atleast hereafter orders are passed on alienation papers ~~in~~ within the prescribed period.

To
All the Tahsildar
