Sub: Pooling of Taluk Office staff  
for Tribunal work.

\* \* \*

It is represented to Government that the Special Assistant Commissioners for Land Reforms and the Tribunals require to be given clerical and executive staff to enable them to function effectively and properly.

Under the pattern of staff devised for Land Reforms Work, every taluk is proposed to be given a Second Division Clerk and the Taluks where the volume of land reforms work is expected to be heavy are proposed to be given Revenue Inspectors, Surveyors and I Division Clerks to cope with the additional work. It is not considered necessary to give separate ministerial or executive staff to the Special Assistant Commissioners or the Tribunals in addition to the staff proposed to be given to the Taluks.

The Taluk Tribunals would start functioning from 1.1.1975, and they would require the assistance of ministerial and executive staff. The Special Assistant Commissioner or the regular Assistant Commissioner who functions as the Chairman of the two or more Taluk Tribunals, may arrange to pool the Land Reforms staff in each xxxx Talukx of each Sub-division, in a particular Taluk at the time of hearing of the cases by a particular Taluk Tribunal, if that be necessary, in the interest of work.

The Special Assistant Commissioners for Land Reforms/ Assistant Commissioners may kindly note the above instructions and ensure that the work of the Tribunal does not get hampered for want of or inadequacy of special staff in a particular taluk.
