

GOVERNMENT OF KARNATAKA

NO. RD 549 LHM 76

Karnataka Government Secretariat,
Vidhana Soudha,
Bangalore, Dated: 4th October 1976.

CIRCULAR

Sub: Recording the deliberations of Land
Tribunal meetings.

* * *

The All India Radio, Bangalore would like to record the deliberations of the meetings of the Land Tribunals of different Taluks as and when their field unit goes for covering programmes in the Rural areas to enable them to broadcast such records under their Rural Programmes.

Government have considered the above suggestion. It is felt that the programmes would educate and benefit the people in general and particularly the tenants in the rural areas. The proceedings of the Land Tribunals are public in nature, and the Press Representatives are also being allowed to attend the meetings of the Land Tribunals.

Having regard to the above facts, all the Chairmen of the Land Tribunals in the State are hereby requested to permit the field staff (Field unit) of the A.I.R. Bangalore, to record the deliberations of the meetings of the Land Tribunals whenever they want to do so while covering programmes in the rural areas and to enable the A.I.R. to broadcast the same in the Rural Programmes. However, the Chairmen and the Secretaries of the Tribunal should note, that the informal deliberations among the members of Tribunal before they come to a decision may not be permitted to be recorded as they are confidential.
