Sub:- Scheme of direct financing of loans by Government to tenants for acquiring occupancy rights clarification - regarding -

----

It has come to the notice of the Government, that certain Deputy Commissioners are under the impression that, Government have embarked on a special scheme to provide direct financing of loans to tenants for acquiring occupancy rights apart from the loans advanced by State Land Development Bank.

It is hereby clarified that Government do not intend to finance the tenants directly. The State Co-operative Land Development Bank, acting through the Primary Land Development Banks will finance the tenants. However, Government have under consideration different proposals to enable the tenants coming under the jurisdictions of the ineligible Primary Land Development Banks to get loans from some credit agencies to pay the premium (occupancy price).
