Sub: Preference to the disposal of cases pertaining to harassment to tenants through parallel proceedings in Civil Courts, Courts of Sub-Divisional Magistrate and complaint to Police, and also cases pertaining to widows, small holders etc.

- 2 -

Instructions to take up uncontested cases for immediate orders were issued in Circular No. RD 314 LRM 74 dated 24.12.1974 to enable the Tribunals to meet and transact some work, pending collection of the particulars from the Record of Rights, etc. in respect of contested cases. The present situation is that every Tribunal has got adequate number of cases where all the information is ready. In view of the tendency of the landlords to harass the tenants by resort to parallel proceedings in Civil Courts, Courts of Sub-Divisional Magistrates and before the Police it is decided that the Tribunal should give preference to cases where it is brought to the Tribunal's notice that the tenants are being harassed through parallel proceedings in Civil Courts, Courts of Sub-Divisional Magistrates and complaints to Police.

The Tahsildars / Special Tahsildars who are the Secretaries of the Tribunal may sort out applications in which tenants are being harassed through parallel proceedings in Civil Courts, Courts of Sub-Divisional Magistrates and complaints to Police or where specific reports about breach of peace or a law and order situation have been received either from Police or magistracy, and place them before tribunals for early orders.

Further in cases where the interest of widows, minors, small holders and disabled persons is involved, Tribunals may give preference for disposal of such cases to the extent possible.
