Rules
2. Definitions—(1) In these rules, unless the context otherwise requires—

(a) "Section 3(1)" means the Kamataka Land Revenue Act, 1961;

(b) "Act" means the Kamataka Land Revenue Act, 1961;

(c) "Lands Rules, 1970" means these rules;

(d) "Lands Rules, 1970" means the Kamataka Land Revenue (Regulation of Unauthorized Occupation of Lands) Rules, 1970 as altered by the Kamataka Land Revenue Act, 1961;

(e) "Karnataka Land Revenue (Regulation of Unauthorized Occupation of Lands) Rules, 1970" means these rules;

(f) "Government" means the Government of Karnataka;

(g) "Department" means the Department of Revenue or the Department of Revenue of the State of Karnataka;

(h) "Secretary" means the Secretary to the Department of Revenue or the Secretary to the Department of Revenue of the State of Karnataka;

(i) "Complainant" means a person who has made a complaint under these rules;

(j) "Respondent" means a person who is accused of an offense under these rules;

(k) "Order" means an order passed under these rules;

(l) "Date of occupation" means the date of the unauthorized occupation;

(m) "Date of application" means the date on which the application for cancellation of the unauthorized occupation is made;

(n) "Date of completion of application" means the date on which the application is completed;

(o) "Date of grant" means the date on which the grant is made;

(p) "Date of commencement" means the date on which the rules come into force;

(q) "Date of commencement" means the date on which the rules come into force;

(r) "Date of commencement" means the date on which the rules come into force;

(s) "Date of commencement" means the date on which the rules come into force;

(t) "Date of commencement" means the date on which the rules come into force;

(u) "Date of commencement" means the date on which the rules come into force;

(v) "Date of commencement" means the date on which the rules come into force;

(w) "Date of commencement" means the date on which the rules come into force;

(x) "Date of commencement" means the date on which the rules come into force;

(y) "Date of commencement" means the date on which the rules come into force;

(z) "Date of commencement" means the date on which the rules come into force;
1. Restrictions on land used for raising plantation crops shall be based on the maximum value of the land, or if there are two or more such crops, the highest value estimated for each crop. Where the land is used for two or more crops, the restrictions shall be based on the value of the land as a whole, or if there are two or more such crops, the highest value estimated for each crop.

2. Restrictions on land used for raising plantation crops shall be based on the maximum value of the land, or if there are two or more such crops, the highest value estimated for each crop. Where the land is used for two or more crops, the restrictions shall be based on the value of the land as a whole, or if there are two or more such crops, the highest value estimated for each crop.

3. The maximum value of the land shall be determined by the Department of Lands, taking into account the nature and quality of the land, its location, and the potential for raising plantation crops.

4. Restrictions on land used for raising plantation crops shall be based on the maximum value of the land, or if there are two or more such crops, the highest value estimated for each crop. Where the land is used for two or more crops, the restrictions shall be based on the value of the land as a whole, or if there are two or more such crops, the highest value estimated for each crop.

5. Restrictions on land used for raising plantation crops shall be based on the maximum value of the land, or if there are two or more such crops, the highest value estimated for each crop. Where the land is used for two or more crops, the restrictions shall be based on the value of the land as a whole, or if there are two or more such crops, the highest value estimated for each crop.

6. Restrictions on land used for raising plantation crops shall be based on the maximum value of the land, or if there are two or more such crops, the highest value estimated for each crop. Where the land is used for two or more crops, the restrictions shall be based on the value of the land as a whole, or if there are two or more such crops, the highest value estimated for each crop.

7. Restrictions on land used for raising plantation crops shall be based on the maximum value of the land, or if there are two or more such crops, the highest value estimated for each crop. Where the land is used for two or more crops, the restrictions shall be based on the value of the land as a whole, or if there are two or more such crops, the highest value estimated for each crop.

8. Restrictions on land used for raising plantation crops shall be based on the maximum value of the land, or if there are two or more such crops, the highest value estimated for each crop. Where the land is used for two or more crops, the restrictions shall be based on the value of the land as a whole, or if there are two or more such crops, the highest value estimated for each crop.

9. Restrictions on land used for raising plantation crops shall be based on the maximum value of the land, or if there are two or more such crops, the highest value estimated for each crop. Where the land is used for two or more crops, the restrictions shall be based on the value of the land as a whole, or if there are two or more such crops, the highest value estimated for each crop.

10. Restrictions on land used for raising plantation crops shall be based on the maximum value of the land, or if there are two or more such crops, the highest value estimated for each crop. Where the land is used for two or more crops, the restrictions shall be based on the value of the land as a whole, or if there are two or more such crops, the highest value estimated for each crop.
