Sub: Land Reforms- special component plan-
legal aid to ~~poor tenants~~ 1984-85-
furnishing of report reg.-

It has come to the notice of the Government that most of the needy persons who desire the legal aid in regard to land Reforms have not been able to secure the help due to ignorance lack of knowledge of existence of such a scheme while the Land Reforms cell at Government level is doing its best show better coverage of such persons through out the state, the coverage so far is not satisfactory. There are various reasons for this. One such reason is lack of publicity of the Scheme at Taluk and Village level. Therefore all the Assistant Commissioners and Tahasildars are directed to give wide publicity to the tour programme of the Special Officer of Land Reforms (Legal Aid Cell) cell of DLPA and to educate the people about the legal Aid facilities provided by the Government. They are directed to collect applications from eligible persons seeking legal assistance from Land Reforms. Legal Aid Cell and present them to the Special Officer Legal Aid Cell whenever they visit Districts to furnish the said applications direct to the Office of the Special Officer, LD LRs Cell, Technical Education Building, Palace Road, Bangalore.

Further for the year 1984-85 a target of 500 persons to be given legal assistants is fixed. Out of the a target of 90 scheduled caste beneficiaries are fixed to be given legal Assistants under the Scheme Legal Assistants to the poor tenants. It may kindly be ensured that this target may kindly achieved by giving suitable publicity in the matter.
