Sub:- Un-authorized shooting at Locations.  
-----

It has come to the notice of the undersigned that some film production concerns are shooting in public places, which come under the perview of G.O.No.HD 31 PIF 72 dated 8-9-72 without obtaining the required permits from this Department, after paying the fees prescribed.

Such of those who shoot sequences at the above referred to filming locations without prior permission from this Department will do so at their own risk. They are likely to be deprived of the Subsidy to such films, in case such films come under the perview of the existing subsidy rules. They are also liable to pay double the shooting ~~charges~~ charges as penalty.

In the case of producers and film shooting parties (whose films are not eligible for any subsidy,) doing any such un-authorized shooting on locations are liable for prosecution for trespassing.

This may please be noted.
