Copy of letter No.HD 143 MAA 72 dated 13th Sept. 1973 from the Commissioner
for Home Affairs & Secretary to Government, Home Department, Vidhana
Soudha, Bangalore, To The District Magistrates of all Districts.

CIRCULAR

In Notification No.HD 124 PAA 62 dated 7-2-1973, the Additional
District Magistrates have been empowered to grant licence in Form
No.XIII for the purpose of sale, transfer or test etc. of arms and
ammunition. But there is no specific provision in the Arms Rules, 1962
prescribing the maximum limit upto which the licensee can be allowed to
keep the arms and ammunition in his shop at a time.

Government have examined the matter. The quantity of arms and
ammunition that can be kept by the licensee varies from District to
District, from locality to locality and the demand and the supply. It
is not feasible to fix any maximum limit in this behalf. It is, however
suggested that the licensing authorities viz. the District Magistrates
of the Districts and the Commissioner of Police, Bangalore may review
periodically, the quantities of arms and ammunition to be held by a
licensee under the licence in form No. XIII, keeping in view the average
of the last five years, as a guide for the purpose.
