**CIRCULAR**

**Sub:** Verification of 1000 scanned records per day per Surveyor in all Scanning Centres reg.

**Ref:** This office even no. letter dated: 27-7-2009.

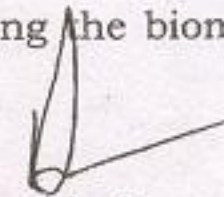

\*\*\*

It has been mentioned in circular at reference above that each Surveyor would verify thousand scanned papers everyday. After verification he will put his name, seal and date of verification. It has been observed that in many Scanning Centers Surveyors are not verifying thousand records per day. The Assistant Director of Land Records (Adm.) shall ensure that every Surveyor verifies 1000 records every day.

It is also important that each Surveyor then, though his fingerprint indicates that he has verified those records and have found them correct. If such fingerprint approval is not done then software will assume such records as not be verified and will not use those records.

On a daily basis Assistant Director of Land Records (Adm.) will therefore ensure the following.

- 1) Thousand records per Surveyor are verified every day. Seal and sign is also put.
- 2) Such records are also verified using the biometrics on the scanning software.

  
Commissioner,  
Survey Settlement and  
Land Records, Bangalore.

**Copy to:-**

- 1) All Deputy Directors of Land Records for necessary action.
- 2) All Tahsildars for necessary action.
